DESCRIPTIONS

Step inside this charming single-story home in the highly desirable Sienna Community of Missouri City and prepare to fall in love. With 3 bedrooms, 3.0 bathrooms, a study room, a covered patio, and a 2-car garage, you'll have all the space you need to make this house your home. As soon as you enter, you'll be impressed by the impressive high ceilings and 8' doors that give this open-concept floor plan an airy and spacious feel. The family room flows seamlessly into the light-filled kitchen with stainless steel appliances, perfect for cooking up a storm and hosting family and friends. Retreat to the main suite, complete with his and her vanities, a shower with a separate soaking tub, and two large walk-in closets for all your storage needs. This home is not only spacious but also easy to maintain, with a complete sprinkler system for both front and back yards, 2" faux wood blinds on all operable windows, and extensive gutters. Plus, it is fully furnished and decorated, so you can move in and start enjoying your new home immediately!
